# Welcome Address

Dear friends,

The **4th National AIOA Conference** will be hosted by **Department of Anaesthesia and Intensive care PGIMER, Chandigarh** in **September 2024**. We are proud to share that the Advanced Eye Centre which was inaugurated in 2006 is now a centre of excellence for several specialty clinics and services viz. Lens, Cornea, Uvea, Glaucoma, Retina, Vitreous, Pediatric Ophthalmology and Strabismus. Indubitably, as these surgical specialties' have developed so has the anaesthesia services for this subset of the population. The attendees will thus benefit from a meticulous scientific programme with renowned national and international faculty. We take this opportunity to invite both anaesthesiologists and ophthalmologists for this academic event. So, mark your calendar and keep looking forward for latest updates.
